Prasanjeet Das

Jagdalpur | 9399761035 | prasanjeetdas44@gmail.com | linkedin.com/in/pra18

PROFILE

Experienced software developer with expertise in full-stack development and a passion for crafting robust and user-friendly applications. Proficient in both front-end and back-end technologies and adept at delivering innovative solutions to complex problems.

WORK EXPERIENCE

Sify Technology *2020-present*

Digital Commerce Application with ONDC

— Collaborated with the team to develop a digital commerce application on the ONDC (Open Network for Digital Commerce).
— Designed, implemented, and maintained API endpoints to facilitate seamless data exchange between systems.
— **Skills:** NodeJs, MongoDB

Apache Superset

— Utilized Apache Superset to design and develop interactive data visualizations and dashboards for data analysis.
— Configured an Apache Superset environment using Docker, streamlining deployment and ensuring consistency across setups.
— Leveraged PostgreSQL as a data source, designing optimized queries and connections for chart creation.
— **Skills:** Python, PostgreSQL, Docker

Video Campaign Management

— Led frontend development using React.js, creating responsive and user-friendly interfaces for video campaign management.
— Developed and maintained backend services with Node.js, enabling seamless data exchange between the frontend and database.
— Utilized MySQL as the primary database system, designing efficient schemas for storing campaign-related data.
— Integrated Amazon S3 bucket storage for managing images and videos, optimizing content delivery and storage.
— **Skills:** ReactJs, NodeJs, Mysql, AWS (S3 bucket)

Microservices Application

— Designed and implemented RESTful APIs, adhering to industry best practices and ensuring efficient data exchange.
— Collaborated with cross-functional teams to define API specifications and integration requirements.
— Utilized MongoDB as the primary NoSQL database, optimizing data storage and retrieval for high-performance microservices.
— **Skills:** Spring Boot, Java, MongoDB

SKILLS

— NodeJS
— Apache Superset
— Java
— JavaScript
— Python
— Spring Boot
— ReactJs
— MongoDB
— MySQL
— PostgreSQL
— Git
— Docker

EDUCATION

Sathyabama University *June 2020*
B.Tech   Chennai
Sri Chaitanya *June 2015*
Higher Secondary Education   VIZAG
