SAKSHI LODHI

Chinhat - Lucknow

7524038274 | rajpootsakshi274@gmail.com

Objective

Enthusiastic and goal-oriented, I have a strong foundation in information technology from ITI and exceptional communication skills that I acquired during my academic pursuits. I am competent in translating complex technical concepts into easily understood words. In order to accelerate my career progression in the IT business, I am looking for a challenging position where my communication skills and IT knowledge would facilitate the seamless integration of creative ideas and encourage collaborative environments.
