Experience : 4 years+

March 2024 - Current

Mobile Application Developer SRDV Technologies pvt. Ltd | Noida

- Developed and launched 10+ mobile applications for both the Google Play Store and Apple App Store, leveraging advanced programming languages and frameworks.
- Conducted comprehensive testing and debugging of applications pre-release, ensuring optimal performance and an intuitive user experience.
- Collaborated with UX and UI designers to create innovative and user-centric app designs, enhancing overall engagement and satisfaction.
- Actively engaged with clients to gather detailed requirements, ensuring that their feedback was integrated into the development process for maximum satisfaction.
- Led and mentored a diverse team of junior developers, fostering skill development and promoting best practices in coding and project management.

December 2021 – February 2024

Mobile Application Developer Uveous Softtech pvt. Ltd | Noida

- Utilized programming languages and source code to create software.
- Before the app was released, I carefully tested it to make sure it worked well and was easy to use.

- I talked with the people who design how the app looks and feels (UX and UI designers) to make sure the app design was as good as possible.
- I listened to what the clients wanted in their app and made sure those things were included to make them happy.
- I led a small group of less experienced developers, guiding and helping them to improve their skills.
- Utilized programming languages and source code to create 6+ mobile applications for both the Google Play Store and Apple App Store.

September 2020 - November 2021
Mobile Application Developer TechConfer Technologies pvt. Ltd | Noida

- Utilized programming languages and source code to create software.
- Consulted with function, UX and UI designers to improve application design.
- Understood client application requirements and added necessary specifications to promote customer satisfaction.
- Developed APIs to support mobile and browser functionality.

CERTIFICATIONS

- A Level (Advance Diploma) from NIELIT Delhi in 2018.
- O Level from NIELIT Delhi in 2015.
