## EXPERIENCE

### Foruppo, Remote—Project Management Intern

August, 2023 - Present

- Managed a Team of 10 people of a mini project Project For 7 Days (You can check the Project section for more).
- Member in a different project, where I used to do my daily task given by the project captain, where I did Data research, brainstorming new ideas, Presentations and more.
- Posted job positions for the Foruppo and arranged the info into an Excel sheet.

### Social Media Handling, Remote—Manager

2020-2022

- Created a fan page of a boyband (named BTS) in June 2020 and managed it, interacted with the audience, created engaging content. It was an unofficial work but gave me lots of insight into social media tools and the audience.
- Owned, managed and Created content on Instagram, Twitter.
- Managed to increase Audience Engagement.
- Insta Link : <https://www.instagram.com/you.make.me.begin/>
- Twitter Link : <https://twitter.com/adynish>

### Dramatics Club, Lucknow University—Member

2019-2020

- Built time management skills from the Club by Juggling college, homework, and family life.
- Gain self-confidence by Playing a role in front of the whole event.
- Build respect and learn teamwork.

## PROJECTS

### Minimalist Digital Product — Project Captain

- Managed a Team of 10 people for making a digital product from scratch. It was a 7 day project, where I worked with a cross-culture team. We brainstormed the product idea and worked to make it successful.
