PROFILE

I come from a family of four, including my parents and younger brother. My parents are both hard-working and dedicated to their family. My father is a farmer and my mother is a housewife. Experienced Flutter Developer with over 2 years of hands-on experience in designing, developing, and deploying mobile applications for both iOS and Android platforms and Web. Proficient in utilizing Dart programming language and Flutter framework to create high-performance, visually appealing, and user-friendly applications. Skilled in implementing UI/UX designs, integrating APIs, and troubleshooting technical issues to deliver robust and scalable solutions. Strong ability to collaborate with cross-functional teams, communicate effectively, and adapt to evolving project requirements. Passionate about staying updated with the latest technologies and continuously enhancing skills to deliver cutting-edge mobile experiences.
