Kendriya Vidyalaya (AMC) Intermediate (CBSE) 64%	2017 Lucknow
Kendriya Vidyalaya (AMC) High School (CBSE) 67%	2015 Lucknow

Projects

Netflix | React web application :-

It was a clone of Netflix this is a single-page web application. Here we watch the trailer of the movie which we want. This application is made up of **React.Js, JavaScript, HTML, and CSS**.

Hosted on **Firebase**:-<https://netflix-by-shubham.web.app> 📄

Restaurant | PHP based Project :-

It is a Responsive website that has end-to-end user data encryption, fraud handling, and SMTP verification.

Languages used in this website are **HTML, Bootstrap, CSS, MYSQLI, and PHP**.

Hosted on **InfinityFree**:- meetshubhamrestaurant.infinityfreeapp.com 📄

RecipeFinder | React web application :-

An API-based application using **AXIOS** to make an API request. This application helps us to make some delicious food. From here we got recipes and ingredients.

Git Repository:- <https://github.com/shubhamkr33142612/React-foodRecipe> 📄
