Internship

[Jul,2018 –Dec, 2018]

INFOSEEK <https://www.infoseeksoftwaresystems.com/>

During my internship at Infoseek, I gained valuable hands-on experience working on projects involving ASP.NET. I had the opportunity to contribute to the development and implementation of a project focused on leveraging ASP.NET for electric maintenance and services.

Computer Faculty

[Mar,2013 –Sep,2016]

NIELIT CHANDIGARH (<https://www.nielit.gov.in/chandigarh/index.php>)

I specialize in providing comprehensive computer training, with a particular focus on subjects like C, Java, O Level, CCC Course. With my expertise in these subjects, I am dedicated to helping individuals develop a strong foundation and proficiency in coding.

Computer Trainer

[May,2010 –Mar,2013]

COMPLETE COMPUTER EDUCACIONAL SOCIETY

I specialize in providing comprehensive computer training, with a particular focus on subjects like C, O Level, CCC Course. With my expertise in these subjects, I am dedicated to helping individuals develop a strong foundation and proficiency in coding.

Educational Summary

- ❖ 2021 – Pursuing => **Master of Computer Application (MCA)** from IGNOU, Lucknow, UttarPradesh
- ❖ Jul, 2018 –Dec,2018 => **Internship at Infoseek Software System** Lucknow, UttarPradesh
- ❖ Aug, 2019–Jul,2020 => **Post Graduation Diploma In Computer Application** IGNOU Lucknow, U.P
- ❖ Jul, 2009–Jun, 2011 => **Master of Arts (M.A)** Chatrapati Shahu Ji Maharaj University Lakhimpur-Kheri
- ❖ Jul, 2006 –Jun, 2009 => **Bachelor of Arts (B.A)** Chatrapati Shahu Ji Maharaj University Lakhimpur-Kheri
- ❖ Aug, 2006 –Jul, 2007 => **Advanced Diploma in Computer** NIELIT Chandigarh Lakhimpur-Kheri,
- ❖ Oct , 2006 –Mar, 2007 => **Diploma In Computer Operator** Govt. Polytechnic Lakhimpur-Kheri

Certificate

Jul, 2018 –Dec, 2018 **Internship at Infoseek Software System** Lucknow, UttarPradesh

Major Projects

Lucknow Home Services (Flutter Web Application):

I developed a comprehensive home services app that simplifies the process of finding and booking various domestic services. The app offers a seamless user experience, incorporating features like tracking booked services, secure payments, and user reviews. My role included designing key functionalities and ensuring a user-friendly interface, showcasing my expertise in flutter web and mobile app development and project management.

Doctor App: https://drive.google.com/file/d/1MKQX4cVRlfAhH7bLA8huTE_P6QLaH4_i/view?usp=sharing

Play-King-Fast:

In my role as a developer, I took a lead position in the creation of the PlayKing Fast Game App, an exciting mobile gaming experience centered around a captivating spinner concept. This innovative application allows users to engage in thrilling gameplay, placing bets and spinning the virtual spinner to win exciting rewards.
