SKILLS

PROGRAMMING

- React • Next Js • Node Js • Express Js
- Mongo DB • Git • HTML • CSS
- JavaScript
- Python • Django

KEY COURSES TAKEN

GRADUATE

React Core Concepts
WebSockets (Socket.IO for real-time apps)
Database Management System

UNDERGRADUATE

Cloud Computing
Webpack
Enzymes
Jest

LANGUAGES

HINDI

(Full Professional Proficiency)

ENGLISH

(Professional Working Proficiency)

INTERESTS

Chess
Traveling

EXPERIENCE

SOLUTIONEERS INFOTECH | Full Stack Developer

Nov 2024 - Present | Lucknow

- I gained hands-on experience in implementing secure authentication and robust error handling for API interactions.
- I successfully integrated GET, POST, PUT, and DELETE API requests into applications, ensuring seamless data flow.
- Additionally, I worked on enhancing user experience by incorporating dynamic components, hover effects, and smooth transitions for a more interactive and visually appealing interface.
- I also developed strong troubleshooting skills, allowing me to efficiently diagnose and resolve issues in interface software.

WEB DEVELOPMENT INTERN | At Arivani Technologies Pvt. Ltd.

Jul 2024 - Sep 2024 | Lucknow

- Gained hands-on experience in backend development, database management, and API integration.
- Utilized Git for version control and collaborated on code repositories with team members.
- Contributed to building features, including forms, authentication, and CRUD operations.

PROJECTS

FREE API PROVIDER | Providing all types of Free API

Feb 2025

- Comprehensive Free API Hub – A MERN-based platform offering a wide range of free APIs across multiple categories, enabling developers to seamlessly integrate powerful functionalities into their applications.
- Easy API Access – Simple endpoints with clear docs for quick integration.

HACK CHAT | Real-time secured communication

March 2025

- Real-time Messaging – Socket.IO-powered, low-latency communication.
- User Interaction – Displays active users and typing indicators.
- Secure Scalable – End-to-end encryption and scalable performance.

BIZWAPP | Bulk messaging application for businesses.

March 2025

- WhatsApp Cloud API Integration – Built app using WhatsApp Cloud APIs for bulk messaging.
- Customer Reach – Enhanced business communication with customers.
- Scalable Solution – Developed a scalable messaging platform.

CERTIFICATION

Python Programming with Data Structure and Algorithm.
by Ybi Foundation
Certification in Internet of Things.
by IBM Skillsbuild.
Certification in Web Technology in Python.
by softPro India.
